

Vacancy

BMS Product Manager, Nationwide

Are you a BMS engineer looking to join a dynamic and growing M&E specialist contractor? Would you relish the opportunity to work on a wide range of flagship projects across the UK? If so we have an exciting opening for the right person and would love to hear from you.

SCS is the leading contractor in the smoke control, passive ventilation and control and automation fields and offers fully integrated BMS systems to its client base of major M&E contractors. We are involved in projects including education, health, commercial developments and high rise residential buildings.

About the Role

Working nationally and based either from home or at one of our locations in south Wales, central London or Bournemouth, you will provide specialist BMS advice to our project teams working on a range of projects nationwide.

Responsibilities will include:

- Taking a lead role in the management of BMS and Controls projects from tender stage through to design and handover
- Managing engineering processes of projects up to £1 million
- Assisting in the commercial aspects of projects
- Assisting in the commissioning of BMS and Controls on all projects
- Working in a variety of project environments and dealing with a variety of HVAC/ Electrical and Controls Systems

About the Candidate

We require:

- At least 5 years experience in BMS and controls engineering at the level of Engineer
- An excellent understanding of the Electrical and HVAC trades at an engineering level
- Excellent up-to-date knowledge of BMS and Controls systems currently being installed in projects
- Excellent understanding of all aspects of BMS Engineering: tendering, dealing with variations, procurement, basic design, and commissioning

Rewards

Excellent package on offer including competitive salary, pension contributions, car allowance, laptop, mobile etc, free company shares, gym membership and flexible working. We offer an industry-leading training programme and opportunities for progression within the organisation.

**Please send CVs to Macarena Machado m.machado@groupscs.co.uk.
